Dear Zeal Families,

After seven INCREDIBLE years at Zeal, I have made the very difficult decision that this 2025-2026 season will be my last as Director.

This was not a choice I made lightly. The studio has been such a meaningful part of my life, and the relationships built here are truly special. Together, we've celebrated lots of beautiful wins, survived a pandemic, supported each other through heartbreaking mental health and medical challenges and more. You've surrounded me with love during life's biggest milestones. I've watched your children grow not only in their technique, but in their confidence, resilience, and love for the art. Being part of those journeys has been one of the greatest honors of my life. It is a community I will always carry with me.

With that being said, I am so extremely proud to announce that my sister Tatum Hayes will be stepping up as the Zeal's Director next season!! Tatum has literally grown up at the studio and considers it a home in more ways than one. Many of you have seen first hand her passion for working with children and helping them reach their full potential. She is very excited for next season and will be supported by our WONDERFUL staff who are so dedicated to seeing your dancers continue to thrive next year.

With all my love and gratitude,
Madison
